PANEL DISCUSSIONS

01. Prevention That Works in the Gulf

- Heat, Culture, Food and Policy
  - Exploring region-specific barriers to physical activity and dietary change, with a focus on practical prevention strategies and interventions that have demonstrated success across the Gulf.

---

02. Access, Authenticity and Affordability

- Bringing Novel Cardiometabolic Therapies to GCC Patients
  - A focused discussion on the evolving landscape of cardiometabolic therapies, covering regulation, supply integrity, pharmacovigilance, access and reimbursement across the GCC.

---

03. From Data to Decisions

- AI and Wearables in the Control and Prevention of Lifestyle Disease
  - Building on the insights from the Wearable Devices session, this panel explores how AI can transform wearable data into earlier diagnosis, personalised treatment and effective prevention strategies at population scale.

SCIENTIFIC PAPER AND POSTER PRESENTATION

Abstract Submission Guidelines

Accepted format

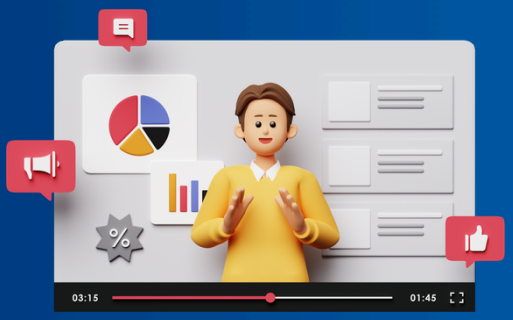

- Abstract should be submitted in English
- Word document format
- Arial font and font size 10
- Maximum 500-word count limit (excluding references/figures/tables)
- Use a concise title

Authoring

- Enlist all authors and affiliation authors
- Highlight the presenting author
- Type of presentation (paper / poster presentation)

Abstract content

- Single-spaced, typed in lower case and contain:
  - Introduction
  - Methods
  - Results
  - Conclusion

Abstracts will be evaluated by the scientific committee of IIACM

Submission Email: cme@iiac.ae

Last Date: 25th OCtober 2026

INVESTMENT PITCH EVENT

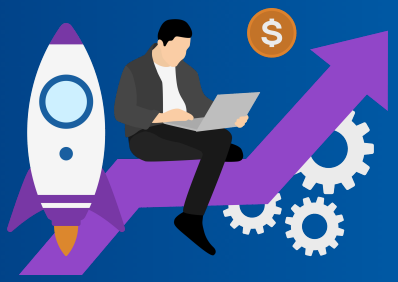

Healthcare Startup Showcase

Catalyzing Cross-Border Healthcare Growth Between India & the UAE

Purpose

- The IIACM Investment Pitch Event is a dedicated platform designed to connect healthcare investors with high-potential startups operating across India and the UAE.

Opportunities for Startups

- Selected startups benefit from:
  - Live pitching before qualified investors
  - Structured investor feedback & mentoring
  - Funding support for:
    - Seed and early growth stages
    - Market expansion and pilot programs
  - India–UAE market access support
  - Visibility among healthcare leaders, hospitals, and strategic partners

Opportunities for Investors

- Investors participating in the IIACM Investment Pitch Event gain:
- Access to investment-ready healthcare startups
- Opportunities for:
  - Strategic equity participation
  - Co-investment and syndication
  - Technology partnerships
- Advisory roles in scaling, governance, and commercialization
- Early exposure to emerging healthcare solutions with regional and global relevance
